Re DA for the demolition of the existing administration building and the construction of a new administration building at Newstead Christian School, 31 – 37 Tudor Avenue, Newstead.

To whom it may concern:

In response to the representations received regarding the proposed rebuilding of the administration block and increase in student numbers at Newstead Christian School we would to amend the application to repeal any submission for the increase in student numbers.

I trust that the contents of this letter and attached documents have satisfactorily addressed the concerns raised by representors regarding onsite car parking and student numbers for the proposal for the demolition and rebuilding of the administration building at Newstead Christian School at 31-37 Tudor Avenue, Newstead. Should you have any questions regarding the application, please don't hesitate to contact S. Group for clarification.

Regards,
Timothy Fry – Architect
