

Concessional entry to the Council's Waste Disposal Facilities policy

PURPOSE:

To set out the criteria when to apply a concessional or reduced fee to dispose refuse at the waste disposal facilities at the Launceston Waste Centre, Lilydale and Nunamara.

SCOPE:

This policy varies the waste disposal charges annually adopted by the Council pursuant to Section 205 of the *Local Government Act* 1993 which applies to the following:

- (a) Pensioners;
- (b) Waste entry vouchers
- (c) Community organisations and
- (d) Commercial customers.

POLICY:

1. General

All persons and organisations (including the Council's Operations departments and contractors) who dispose of refuse at Council's waste disposal facilities, shall be charged the appropriate fee(s) as adopted by the Council pursuant to Section 205 of the *Local Government Act* 1993, unless varied by this policy.

2. Pensioners

Pensioners and Pensioner householders who hold a Commonwealth Pensioner Card are entitled to receive a concession card know as a "Smart Card" which will have an endorsed value loaded onto the card at the start of each financial year, to be used at the Launceston municipal waste centres. The same card has a endorsed value for pensioners to use at selected council owned car parks (Note: 1x smart will be issued per household not per pension holder). The service is provided to minimise the financial burden to pensioners as per the following.

- a) The Smart Cards shall be distributed:
 - To pensioners whose properties are in the City of Launceston municipality and received the State Government pensioner property rate rebate *or* by others who hold a Commonwealth Pensioner Card and where the residential address is listed within the City of Launceston.

Provided the waste

Will expire:

Once the balance reaches \$0 (displayed on the receipt upon each use) or on the last day of the financial year (30 June)

- Balance is not transferable for cash
- Balance remaining WILL NOT be carried over to the new financial year
- Balance will reset at 12am 1 July each year

c) Smart Cards shall be accepted at the waste disposal sites:

- when the person disposing the refuse is acting directly for the pensioner issued with the smart card and
- when there is a positive remaining balance (note: if the fee is \$10 and there is only \$5 left on the card the pensioner must pay outstanding balance at the gate) once the card balance is \$0 the card is inactive
- when the incoming load of waste has been appropriately sorted and all recyclable items have been deposited at the Launceston Recycling Centre.

Smart Cards are not transferable to the benefit of another person and at all times are only available for the benefit of the pensioner originally issued the smart card. Smart Cards are bar coded to minimise administration tasks at the gate, the cards are linked to the pensioner card holder's details. Where breaches of any conditions of use occur, the Chief Executive Officer may suspend the issue of future balances to the Smart Card to the applicable pensioner for as long a period as considered appropriate.
