Overview

Funding is available for small community events held in the City of Launceston municipality where the local community is the main audience. These events will deliver an inclusive experience, encouraging community participation, creativity and will build community spirit, foster pride and a sense of place.

Who can apply?

Incorporated associations, cooperatives, proprietary or public companies, trusts, partnerships, and sole traders. Unincorporated organisations may also apply if they have an Australian Business Number (ABN) **or** enter into an auspicing agreement with an incorporated organisation.

You must have an Australian Business Number (ABN). If entering into an auspicing arrangement, you must include a letter of confirmation from the auspicing body. Council reserves the right to contact the auspicing organisation to confirm the auspicing arrangement.

Who can't apply?

Individuals, universities, federal, state and local government agencies and bodies (including government business enterprises, schools and school agencies e.g. parents and friends associations).

Applicants who have not met the conditions of a previous City of Launceston grant or sponsorship, e.g. not provided an acquittal report within the required timeframe. Applicants who have a long term outstanding debt to the City of Launceston.

Funding Available

Applications for sponsorship can be made for up to \$5,000 (+GST if applicable).

There are two funding rounds per financial year. Round one covers a five month period and is allocated 40% of the annual budget. Round two covers a seven month period and is allocated 60% of the annual budget. Any budgeted funds remaining from the first funding round will be allocated to the remaining funding round within the same financial year.

On a triennial basis commencing in the 2017/2018 financial year, the City of Launceston will offer three years of continuous funding via the Signature Event Sponsorship Program to four (4)

established Small Events that deliver a uniquely memorable experience in the Launceston municipality. Annual reporting on event outcomes, budget, and the next year's plan is required prior to release of funds for the following year's event.

Applicants who meet eligibility and assessment criteria are not guaranteed funding as often more funding applications are received than can be supported. The success of an application is determined by its merits against the assessment criteria and in competition with other submissions.

Assessment Criteria

Applications for sponsorship will be scored and assessed based on your answers to questions aligned to the following criteria.

- **Participation** - Enables social connections to take place within the community, including volunteering and participation opportunities.
- **Creativity and Innovation** - Encourages and supports creativity, innovation and local talent.
- **Community Spirit** - Builds community spirit, fosters pride and a sense of place.
- **Inclusiveness** - Inclusive and accessible to residents within our community.
- **Asset Usage** - Utilisation and activation of community facilities including cultural, entertainment, sport and recreation venues, including Council owned and managed facilities.
- ***New Events** - Demonstrate strategies for sustainability and a vision for growth.

Sponsorship Funding Agreement

If successful in receiving event sponsorship funding, a representative of your organisation (or if the event is auspiced, a representative of the auspicing body) will be required to sign a funding agreement that will detail the sponsorship conditions.

It is the responsibility of your representative to ensure all conditions in the funding agreement are met. Any request to vary conditions must be negotiated prior to the agreement being signed. If you are unable to meet the sponsorship conditions in the funding agreement, Council reserves the right to decline future funding requests.

If your event details change or the event is cancelled, you must advise the Grants and Sponsorship Officer in writing as soon as possible. The City of Launceston reserves the right to

reconsider any funding decision if variations to an event are made after your application has been assessed.

Release of Funds

Once the funding agreement has been signed by the applicant and a Council representative and any pre-conditions have been met, 80% of the funding will be able to be released. The final 20% of funding will be able to be released when the reporting requirements (explained below) have been met.

Reporting

Once your event is over, you will need to complete an online acquittal form within 90 days. This will ask for actual event outcomes such as attendance numbers and financial details.

The City of Launceston reserves the right to request an independent audit if the financial information in your report is not sufficient. If you are unable to satisfactorily provide the required reporting information, you will be ineligible for future City of Launceston funding.

City of Launceston costs

You should include City of Launceston costs for your event (e.g. permits, licences) as part of the budget submitted with your application. Payment of these costs will be the responsibility of your organisation/group. No additional funding or assistance (including in-kind assistance, gifts etc.) will be provided, unless stated otherwise in additional Council policy.

Any requests for civic functions must be made in writing to the City of Launceston Civic Affairs Coordinator and may incur costs to your organisation.

Other Requirements COVID-19

Advice from Public Health Services is that a staged easing of restrictions should occur to monitor the transmission risk of COVID-19. This includes a gradual increase in gathering numbers. Restrictions on gatherings remain in place in Tasmania to guide Tasmanians through a staged process on the road to recovery.

It is important to be aware of and follow current restrictions to reduce the risk of further outbreaks of COVID-19. For the most up to date information regarding social distancing and hygiene obligations for public gatherings please visit <https://www.coronavirus.tas.gov.au/>

Permits & Licences

You must ensure you obtain all permits/licences (relevant to the particular event) within required timeframes (e.g. road closures, Temporary Occupancy Permits, liquor licence). It is your responsibility to ensure you have fully disclosed all details of your event in order to obtain the necessary permits.

You may be required to provide a risk management plan, if the event:

- is to be held on land or in facilities owned and/or controlled by the City of Launceston and/or
- should the event require a place of assembly licence.

In all situations where a Place of Assembly licence is required under the *Public Health Act 1997* your event must be smoke free. If your event is held within City of Launceston public spaces, Council policy encourages your event to be smoke free.
