CBD COLLECTION

We offer a waste and recycling collection service for eligible commercial and residential properties in the CBD, for a fee. This service operates on the Week 1 schedule. Bins must be placed kerbside from 5pm Wednesday and retrieved by 9am Thursday.

NEVER MISS YOUR COLLECTION DAY AGAIN

Waste is collected weekly and recycling and FOGO bins are collected on alternating weeks fortnightly. To know when to put out your recycling and FOGO bins, you will need to know your collection week.

Where you live will determine if you are in a Week 1 or Week 2 zone. Scan the QR code to view the City of Launceston Interactive Waste Collection Map. Find out your collection week and day for waste, recycling and FOGO in your area. Once you know your week, tear-off the calendar and put it on your fridge.

Tear me off and put me on your fridge!
